PARKING RATES: Parking is paid on EXIT. You will need FIVE dollars in \$1 and \$2 coins. There is a machine inside the front entrance of the Holbrook Building that accepts bills to change into coins.

There is a separate entrance for drop off and pick up that allows you to gain close access to the front door. Instead of turning onto Chedmac from Rice, continue on Rice Ave. through the 3 way stop and take your first left. This will allow access to the Holbrook Building Main Entrance. There is no parking here, it is just for drop off.
