A SPECIAL ROOM

If you choose to stay in a private room after your baby is born, you may want to consider the Victorian Room.

Thanks to the generosity of a grateful donor, the Hamilton Health Sciences Foundation has developed the Victorian Room into a warm and spacious place. The room features a private bathroom, an adjustable double bed, comfortable furniture and home-like linens.

Your baby stays with you in a matching cherrywood bassinet. Your decision to stay in the Victoria Room is important to us. Funds from the Victorian Room fee provide educational opportunities for the staff of the Obstetrics/Gynecology Program.

PLEASE REMEMBER:

The \$85 per night room fee is over and above private room charges.

A credit card payment is required to cover the fee prior to moving into the room. The fee will not be processed until after your stay in the Victorian Room. Please note that telephone and television fees are included in the cost of the room. Occupancy must be for the entire length of your stay.
