

How to Apply

Hamilton Health Sciences offers a variety of experiential learning opportunities. The process and timelines for onboarding are variable, depending on the opportunity. It is strongly recommended that you allocate at least 6-8 weeks for this process. Placements cannot begin until onboarding is completed in full and you've receive notification of clearance from the Office of Student Affairs.

Learning Opportunity Process

1. Complete and submit an [Application for Experiential Education Placement](#).
2. Confirmation will be provided from studentaffairs@hhsc.ca once the request is matched with appropriate placement.
3. Complete and return required documentation:
 - [Pre-Placement Immunization](#) form for Learners and Students (this step may take 6 – 8 weeks)
 - signed [Confidentiality Agreement](#)
 - signed Learner Undertaking Agreement (this will be provided to the learner at a later date by the Office of Student Affairs)

Note: All forms must be submitted in .pdf or word format.
Photos of the completed forms will not be accepted.

4. Complete assigned eLearning modules.
5. Receive 'Clearance' from the Office of Student Affairs.
6. Learner may begin placement.
