CLINIC APPOINTMENTS

Meet with a clinician virtually to address concerns about your child's behaviour or discuss a specific skill you'd like to teach your child. You'll receive tips and strategies for building skills and reducing challenging behaviours.

SERVICE CONSULTATION

Not sure where to begin? During your consultation with one of our expert program staff, we'll identify your child's needs and strengths, and discuss your goals as a family. Service recommendations will be provided.

RESOURCE CONSULTATION

Our expert program staff will discuss resources and supports available in the community and/or help you complete funding forms.
