

# Picking up your family/friend after their procedure

- Your family/friend needs to be picked up at the Endoscopy Unit after being cleared by the nurses.
- Patients given sedation cannot drive for 24 hours after a procedure.
- Nurses are not available to escort patients down to the front lobby or parking area.

## Parking

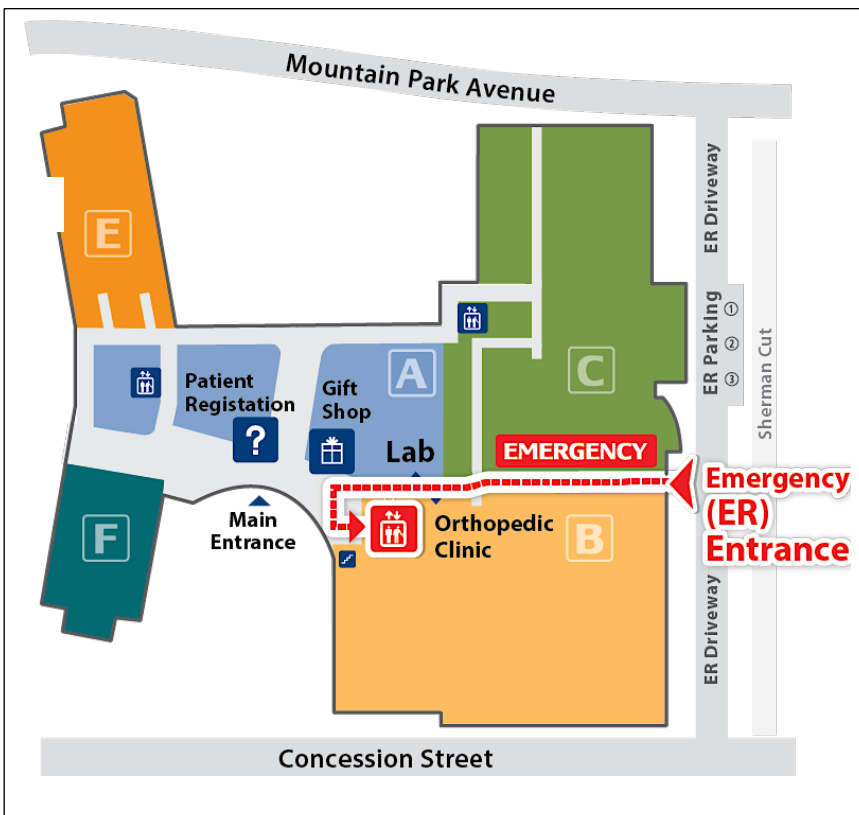

**Do not park in the front driveway of the hospital entrance.**

This area is a fire route/tow away zone.

You may receive a parking ticket.

There are 3 parking spots outside Emergency that allow for 15 minutes drop off/pick up parking for patients. We strongly encourage you to use these spots.

### Coming from the parking spots near Emergency (ER):

- Enter through ER doors from ER
- Follow signs to 'Main Lobby'
- Walk past Orthopedic Clinic & Lab
- Elevators 27 & 28 will be on your left at end of hallway
- Take elevator up to Level 3.
- When you get off the elevator, take your first right and Endoscopy is down the hallway on your right.
