Date \_\_\_\_\_ Time \_\_\_\_\_

If you have any questions or need to change your appointment,  
please call Nuclear Medicine at 905-527-4322, ext 41484.

Please turn over for information about the Gallium Scan 

## **Medication and diet**

Please take your usual medications and eat your regular diet.

## **When you arrive for the Gallium Scan**

- At the first appointment time you will be given a small injection (usually in the arm).
- You will return 2 days (or 3 days if the injection is on a Friday) for pictures.
- The technologist will let you know what time you need to return.
- When you return, the Gallium Scan takes up to 2 hours. There is a possibility that you may need to return the next day for more pictures.
