Please call the clinic if you have a question about or need to rebook your appointment.

What can I expect at my appointment?

If your doctor is not able to see you on the day of your appointment, one of our other NeuroEndovascular doctors will see you that day.

Members of the NeuroEndovascular team

The NeuroEndovascular team consists of doctors and a nurse practitioner who are specially trained to manage your brain and/or spine blood vessel condition. If you have questions about your medical condition, upcoming surgery or how to complete insurance forms, call your doctor or nurse practitioner. Their phone numbers are listed on the next page.
