**RE: Closure of the St. Peter's Hospital Chiropody Clinic Effective April 1, 2020**

Dear Patients & Community Partners,

We regret to inform you that the Chiropody Clinic, located in the Centre for Healthy Aging Department at the St. Peter's Hospital Site of Hamilton Health Sciences, is closing effective Wednesday, April 1, 2020. The decision to close the clinic was not made lightly; however, it is no longer financially viable for us to continue running this outpatient service at the hospital.

We will be honouring all outpatient appointments up to Tuesday, March 31, 2020. We are no longer accepting any new referrals.

We have included a list of other local Chiropody services which may be able meet your needs.

We apologize for any inconvenience this may cause. We have been very pleased to be able to provide our Chiropody Clinics to outpatients for over three decades. Thank you for your past support of our program. Please do not hesitate to contact us for advice in accessing community based Chiropody services.

Sincerely, Carol McKenna  
Clinical Manager, Specialized Geriatric Services  
Hamilton Health Sciences  
905-521-2100 x12304
