

RE: Closure of the St. Peter's Hospital OTs2Go Service Effective April 1, 2020

Dear Patients & Community Partners,

We regret to inform you that the OTs2Go service, operated out of the Centre for Healthy Aging at the St. Peter's Hospital site of Hamilton Health Sciences, will close on April 1, 2020. Unfortunately, it is no longer financially viable for the hospital to continue this service.

We will provide the service up to Tuesday, March 31, 2020; however, we are no longer accepting new referrals.

We are working closely with patients and referral sources to identify alternate services. If, however, you would like to reach out to the Hamilton Niagara Haldimand Brant (HNHB) LHIN Home & Community Care Services, you may reach them toll-free at 1-800-810-0000, or you may contact one of their branch offices shown below:
