

FREE parking at HHS

Hamilton Health Sciences is pleased to extend the offer free parking for everyone, including staff, physicians, patients and visitors through to May 31. Parking fees will be reinstated on June 1.

As stated in a previous communication dated April 3, the entry and exit gates in each of our parking areas will be lifted. No action is required by the driver to receive free parking.

We know these are incredibly stressful times and hope this will make a difference for those coming to our sites.

Our continued thanks to all staff and physicians for your support and patience as we work hard to keep our community healthy and safe in these unprecedented times.
