

## FAQs for Staff - Return to School

Question	Response
Can I take a leave if I want to keep my child at home to participate in remote learning?	Hamilton Health Sciences has supported our workforce through this unprecedented time. We want to ensure staff feel supported to make decisions for their family knowing they still have job security. Staff who opt to keep their child at home to participate in remote learning and would like to request an unpaid Infectious Disease Emergency Leave (IDEL) from work to support this are encouraged to speak to their leader with as much notice as possible.
Who do I contact if I need to request an Infectious Disease Emergency Leave to facilitate remote learning?	Staff are encouraged to discuss these requests with their leaders as soon as possible.  For more information, please see the Provincial Government's website, <a href="#">here</a> .
I have opted to have my child participate in remote learning. Can my request for an Infectious Disease Emergency Leave be declined?	Hamilton Health Sciences is committed to supporting families in their decisions while also ensuring the delivery of safe patient care to our community.  If a staff member is unable to secure alternate care arrangements, a staff may commence an Infectious Disease Emergency leave. Staff and Leaders are to have ongoing discussions, and staff are encouraged to continue to explore alternate care requirements  Staff should be aware that under the temporary order issued March 21, 2020, we may be required to cancel the leave should it be necessary to respond to, prevent and alleviate the outbreak of the coronavirus for patients.
Will I return to the same position when I return from IDEL leave?	Yes, you will return to the same position and pay rate when you return from leave.
What will happen to my benefits and pension if I choose to take an extended unpaid IDEL?	For extended unpaid IDEL's, Human Resources will be in contact with you to advise of any benefit implications and considerations.
What will happen to my seniority if I choose to take an extended unpaid IDEL?	Please refer to your respective Collective Agreement for seniority impacts as a result of an extended unpaid leaves.
I am currently working remotely, can I support my child's remote learning without requesting a leave of absence?	Staff who have commenced the school year working from home due to the hospital's pandemic response may be recalled to the hospital at any time. You must ensure you have appropriate support in place to return to the hospital on short notice and for all scheduled shifts. Staff who choose to keep their children home, and who are currently working remotely, are expected to request a leave to support on-going remote learning if there is an overlap with their work obligations and/if they are recalled back to the hospital by their Leader.
