Courses to help with Anxiety for child and parent to attend together

kNOw Fear (6 weekly sessions)

Know fear is an **Educational** CBT based anxiety group for children ages 8-12 yrs. and their caregiver(s). Together the family will learn what stressors most effect their child. Identify how the child reacts to these worries/ fears, and how to deal with them in a positive and effective way. This is not a treatment group.

First session is a Parent ONLY Orientation

Age	Start Date	Time	Location

Why Little Kids Worry (3-10yrs) (1 hour session)

This one session workshop helps caregivers to identify stressors and learn how they affect their child's daily life. You will be introduced to some basic coping strategies appropriate to manage a young child's stress.

Participants	Date	Time	Location
Parents & Caregivers	Tuesday January 26	12:30- 1:30 pm	VIRTUAL via Zoom

I'm Shy (1 hour session)

This one session workshop will explore why children act shy, focusing on children that whisper, speak minimally or not at all at school or in public settings. Evidence based strategies will be provided to help your child start to speak more comfortably in public.

Participants	Date	Time	Location
Parents & Caregivers	Tuesday April 13	12:30- 1:30 pm	VIRTUAL via Zoom

Parenting courses

Temper tantrums VS Meltdowns: Is there really a difference? (1 hour session)

After the age of two we expect that our children stop having temper tantrums. You may have a child that is well beyond the toddler years who still has a hard time controlling their emotions. Is it behavioural or is there really a concern we can help with?

Participants	Date	Time	Location
Parents & Caregivers	Tuesday January 12	12:30- 1:30 pm	VIRTUAL via Zoom

Managing Routines (1 hour session)

This one session workshop will review the basics and benefits of developing consistent routines and how to best manage bedtime, homework and everyday routines. Visuals, organizational skills, pre-planning and transitions will be discussed.

Participants	Date	Time	Location
Parents & Caregivers	Wednesday January 13	5:30- 6:30 pm	VIRTUAL via Zoom
Parents & Caregivers	Thursday April 8	10:00- 11:00 am	VIRTUAL via Zoom

Dealing with Impulsivity (1 hour session)

This single session workshop will help caregivers understand how they can use a variety of techniques and visual strategies to help their child (including children with ADHD) gain better self-control, become more independent and get tasks done.

Participants	Date	Time	Location
Parents & Caregivers	Monday January 18	4:00- 5:00 pm	VIRTUAL via Zoom

Emotions in Motion – Big Emotions (1 hour session)

An introductory educational workshop for caregivers explaining some of the basics of emotional regulation and executive functioning and how this affects your child and teen.

Participants	Date	Time	Location
