Application Submission Requirements Checklist

Only electronic applications will be accepted and must be provided in a PDF format. A completed application package consists of the following:

- Completed application form
- Proof of COVID-19 Vaccine (1st and 2nd vaccine)
- An essay as outlined on page 3 of application form
- An up-to-date 'Ontario Student Transcript' of your academic record
- An up-to-date resume of your work and extracurricular experience
- A nomination letter from your science department head or science teacher
- A copy of offer letter from a recognized university or college (for grade 12 students only)

*** Important: Only Ontario Student Transcripts from your Academic Institute office will be accepted.**

Application and Submission Requirements

Completed application packages are to be submitted electronically and received *no later than 4:00p.m. on Friday March 15th, 2024*. Due to the competitive nature of this program, no extensions or exceptions will be made and any incomplete packages will not be considered by the review panel. Upon submission, each applicant should receive an automated response from the Bursary email, confirming receipt of their package. If you do not receive an automated response, please contact Donna Catherwood at catherwood@hhsc.ca.

Essay Component

Essays will be critiqued for content (ideas articulated/thought process), language and grammar.

Please select one of the following questions below, to respond in essay format maximum 1,000-words.

- 1a. Tell us about yourself and what do you want to do with your career?
- 1b. What has been one of your greatest achievements to date and who has inspired you?
- 1c. What is your greatest strength or weakness and what motivates you?
- 1d. Why do you deserve this Bursary?

Mandatory question– maximum 300-word limit

2. What is your current area of interest in Health or Life Sciences that could help us in matching you for this placement?
